Nina's Nursery is open Monday to Friday. At Nina's Nursery we are NOT available to work during Statutory Public Holidays, these are included in our staff 28 days holiday per year. When a statutory holiday falls on your normal contracted day, our childcare provision will be closed but the usual fee will be charged. We also close between Christmas and New Year, this week is included in your annual fee structure.

### **Paying Fees**

Fees are paid in advance and payment must be received by cash, cheque, via the card machine or direct debit by the 10<sup>th</sup> of every month.  
Exclusive of voucher services company payments.  
Unpaid fees will be charged at £1 per day until fees are paid in full.  
Failing to do this will result in your child(ren) being unable to attend until payment is made.

**Settling in sessions** At Nina's Nursery we aim to make your child's admission a happy experience for both your child and you as parents. You should have been given information about the routines, policies and procedures whilst having the opportunity to explore the nursery and getting to know us.

Within your first settle we will ask you to stay with your child and alongside your child's new key person or room leader of the base room they will be settling in we will together fill in an information pack along with information and permission forms, these forms require completion before your child begins to attend. These ensure continuity and allow updates to be recorded as needed.

Your second settle is so your child can spend a short period of time within Nina's Nursery, getting used to the new friendly faces they will be seeing and meeting new friends.

If you feel your child would benefit from a third settle of half a day we can arrange this at the rate stated above.

In our experience three settling in sessions are adequate but if you feel more are needed than we can arrange this to work within your child's session times.

**Arrival and Collections** We are open from 8am until 6pm Monday to Friday but we do offer an early bird session starting from 7.30am at a cost of £3.00 per day. We ask that your child is dropped off no earlier than the time agreed in the sessions booked as we do have strict child:adult ratios to maintain at all times. If your child is collected after 6pm they will be additional charges.

**Security** We have a fantastic biometric security system. Nina's Nursery was one of the first nurseries in Stockport to install this touch screen security system. Our biometric system will only allow authorised persons into the building. Every entry and exit is logged so we have clear knowledge of who is in the building. We also have LCD monitors in the reception with camera's on the outside of the door so we know who we can see who we are answering the door too. Although we have this security we will always be there to greet you with a smile when entering Nina's Nursery.

**Sickness** Nina's Nursery cannot normally undertake the care of a sick child this is a matter solely at the discretion of Nina's Nursery. In cases where medication is required, the parent must give written permission for each instance medication is administered. Nina's Nursery must not admit to their premises any child suffering from a notifiable infectious disease because of the risk of infecting other children in their care.
